TERMS OF SALE

1. A 10% Buyer's Premium is added to all invoices.
2. This sale is an unrestricted Public Auction and Mail Bid Sale. All bids are to be entered by lot as numbered in this catalogue. Mail bidders should feel free to bid as much as they wish knowing that we will buy the lot, if possible, below their bid. Thousands of bidders to KATEN SALES can attest to this fact.
3. We make no other charges except the actual cost of mailing, insurance/registration. On books we charge 50¢ per lot (a book dealer now charges \$2.00 per lot). When there is more than one book in a lot we use discretion, but never overcharge you. Minimum charge on books is \$1.00.
4. Bidders unknown to us must send a deposit of 25% of their bids. References are useful for future bidding.
5. We reserve the right to reject any bid from any bidder when we deem a bid not made in good faith. Most dealers want dollar bids only - but we will accept bids with 50¢. Minimum acceptable bid is \$3.00 with increments of 50¢.
6. Auction sales are not approval sales. By submitting your bids you agree to the terms of sale herewith set forth. No lot may be returned without written permission and request must be made within 5 days after receipt of material. No lot may be returned by floor bidders.
7. All books are as described. The actual title in a foreign language is given- the cataloguer may interpret the title which would be in parenthesis. All books are at least in fine condition unless otherwise mentioned. Books are hard bound unless CaC (Card Covers), pb (pamphlet binding), or pc (paper covers) is mentioned.
8. We acknowledge the possibility of errors or typographical mistakes, and any errors on our part will be corrected. Please be careful in placing your bids, as we cannot be responsible for your errors.
9. Auction Sales are for U.S. cash funds. Payment must be made immediately upon receipt of material or upon notification. We reserve the right to demand payment before delivery.
10. Lots delivered in the State of Maryland are subject to a 5% Sales Tax and will be added to the invoice.

AN IMPORTANT ANNOUNCEMENT

BY FRANK and LAURESE KATEN

After 55 years as a Coin, Stamps and Numismatic Book Dealer (Laurese 31 years) we have decided to slow down. Perhaps getting the American Numismatic Association 50 years gold membership medal got us thinking.

We gave up the Retail Business three years ago and have been operating from home doing auctions. This sale No. 75 was just completed on our new computer Presario 866 which I am trying to master aided and abetted by Laurese.

The main announcement is that Frank and Laurese Katen will be selling their library, one of the finest world libraries in existence. The sale will be in four parts, Part I, Sale No. 76 will consist of numismatic texts, Part two, Sale No. 77, will have numismatic Periodicals, Parts three and four, Sales Nos. 78 and 79 will consist of United States and World Auction Catalogues and Fixed Price Lists.

The texts in Sale No. 76 are New, As New, or Very Fine unless noted otherwise. Over the years our advertising and auction sales featured Numismatic Literature. We generally purchased 5 or 10 copies to get the discount as members of the American Booksellers Association. One copy became the working copy and the second copy was placed in our library.

At the suggestion of friends we will bind the four sales (5 if needed) into a handsome volume with their Prices Realized lists. The volumes will be numbered and limited to the number of subscribers. The price of this bound volume is \$100.00.

The date of Sale #76 is March 23,24, 1994; Sale #77, is dated March 25,26, 1994. The sales will be held in the COURTYARD Marriott, 1671 West Nursery Rd., Linthicum, Md (at the BWI Airport) and 5 miles from the Convention Center in Baltimore.

If you send \$100.00 for the bound volume you will receive the four sales with their Prices Realized lists free of charge. Or you may order the two sales, Numbers 76 and 77 with Prices Realized Lists for \$10.00.

CONSIGNMENT B

This consignment is by the prestigious coin company started in the 1920's, the Colony Coin Co. of Boston, Massachusetts. Like the Katens they are still in business. Many would remember them as practically the originators of selling foreign coins by mail order.

Please note that the following auction catalogues are in excellent condition, but many of them will have the Colony stamp on the front cover and some will have lots marked for bidding. These will not be mentioned. Any other feature will be noted.
